Metropolitan-Archbishop of Philadelphia

Your Grace,

Inasmuch as I, together with my family, and parishioners await response to letters to our much-loved Bishop Barres requesting, since June, a pastor to continue ministry to the faithful of St. Stephen of Hungary in the extraordinary forms of the Roman rite, permit us please to ask how we might receive reply.

In humble prayer that Our Newborn Lord grant you a merry Christmas while the season lasts, and every good thing in the new year, I ask – for all of us – the apostolic Blessing.

Sincerely & obediently in Christ,

Mr. & Mrs. Reuben DeMaster
